Dear Brother Egils Baldzens,

On the occasion of the 9th Congress of The Free Trade Union Confederation of Latvia I send you fraternal greetings from FH.

I am aware of the very difficult circumstances in which the congress will be held in and I wish you a successful outcome of the congress.

Your congress is held in a time where the COVID-19 pandemic has had severe consequences for workers around the world. More than ever there is a strong need for trade unions and social dialogue in order to overcome the crisis.

On top of the pandemic you are facing many other challenges and I hope you will be able to make decisions that will strengthen your ability to fight for the interests of the workers of Latvia.

In solidarity,

Lizette Risgaard

President
