**GREETINGS
to the delegates of the 9th Congress
of the Free Trade Union Confederation of Latvia**

Dear Brothers and Sisters,

Regrettably, due to the restrictions connected with the Covid-19 pandemic, the Federation of Trade Unions of Ukraine cannot physically attend your Congress, but we send you our warmest greetings and our solidarity on the occasion of this significant event in the trade union life of the country.

LBAS is the largest non-governmental organisation in Latvia, which protects the interests of trade union members and employees on the national, branch and inter-branch level. In times of pandemic challenges before the trade unions become even bigger and importance of the social dialogue is as high as never. Both in Ukraine and Latvia trade unions are fighting against adoption of changes to the labour legislation bypassing social dialogue that would weaken existing labour standards and social guarantees.

We are confident that your Congress will be another important step towards strengthening the role of trade unions, building a society of social justice in Latvia as a solid foundation for successful and long-term economic development.

We wish the delegates a fruitful work, development of an effective strategy of further struggle for the fundamental labour and social and economic rights and interests of workers.

In solidarity,

**President of the Federation
of Trade Unions of Ukraine**
